FROM WIRE REPORTS

*MURDER*

The body of a young woman with a gunshot wound to the head was found Sunday morning on Frontage Road, Emeryville police said.

Police described the victim as light-skinned, possibly Hispanic. The body was found two-tenths of a mile from Powell Street on Frontage Road.

An Alameda County coroner's

spokesman said the gunshot did not appear to be self-inflicted and the body was possibly dumped where it was found.

Fingerprints were being checked late Sunday to identify the woman, who is believed to be in her 20s, said the spokesman.

Investigators are awaiting information from the coroner's office about the woman's identification, police said.
